

## Developing Workers Internship Application

This application is for anyone who is interested in a volunteer internship in Christian ministry. In addition to an internship with Developing Workers, we offer three levels of internship in partnership with the local church and global missions organization.

Once you fill this application, you can email it to [info@developingworkers.com](mailto:info@developingworkers.com) and someone will contact you regarding next steps. We desire to facilitate the development of workers to mobilize ministry. Will you join us in the adventure?
